Dear Prospective Hunter:

Thank you for inquiring about Hubbard's Yellowstone Outfitters, a hunting lodge located in Tom Miner Basin on the edge of the north boundary of Yellowstone Park. Family owned and operated since 1976, the 20 square mile ranch has a base camp lodge located on a 85-acre natural lake. Our award winning lodge is ORVIS endorsed and is used during the Spring and Summer months by our fly fishing & horseback riding guests. Accommodations are base camp/ lodge and 2 spike camps. Everyone sleeps inside a cabin. NO TENTS or COTS! Meals and beverages, including beer and wine, provided by full-time cooks at each location. All travel is by 4x4 trucks, jeeps, or on foot. NO HORSES!

We don't mean to brag, but it's a fact – this is the finest elk hunting in the United States. We hunt Yellowstone elk – both resident and migratory herds on the ranch. We also

have a 4x4 point restriction on deer to ensure the quality of bucks we harvest each year. Our rate for a 5 day elk/deer combination hunt is \$4,200, not including license. To reserve a spot, all hunts require a 50% non-refundable deposit with balance due upon arrival. The deposit will be returned if you are unsuccessful in drawing a license or can be applied to the following year. All hunts are one guide for two hunters with the option of a one-on-one hunt for an additional \$1,000, when available. You may also bring a non-hunter along at a cost of \$1,000. Reservations and deposits are required.

Current hunters have the right of first refusal for the following year, leaving only limited space available. Only a few spots are left on our hunting calendar so please don't hesitate to call or stop by and see our facilities. We look forward to hearing from you soon.

Yours truly, Mike & Jim Hubbard
